Dear reader, we invite you to join an event in commemoration and celebration of the librarian, educator, writer and photographer Doro Boehme (1957–2020). If you can think of an (artist's) book that you associate with Doro and would like to contribute by reading or performing a passage from it, please send us an email by March 13th with your name and the title of the book. We will then share a reading order that can be forwarded.

*The event will be held in English and includes both visual and spoken language. We can provide automatic and/or live captioning. If you have any questions about accessibility, please feel free to reach out. Contact: Regine Ehleiter (mail@regineehleiter.de) and Tabea Nixdorff (mail@tabeanixdorff.com)
